# Welcome to The Drift Golf Club

Originally part of the Lord Lovelace Estate, the Drift Golf Club nestles at the foot of the North Surrey Hills just 20 miles from the centre of London. Peace and tranquillity are the order of the day at the Drift and you will often be accompanied on your round by deer, foxes and pheasants.

Sympathetically created in the mid-70's by Sir Henry Cotton and architect Robert Sandow, the par 73 18-hole course is 6,425 yards long and makes use of the mature oak woodlands that it rests in. Strategically placed water hazards and bunkers along with tree lined fairways makes accuracy a premium and the course rewarding for all standards of play.

At the Drift we offer several Society Packages to suit all your needs but we specialise in customising your specific day's activities to meet your individual requirements. We can cater for both small and large groups, societies can start from 12 people and go up to 100 for large or corporate events.

As part of your Drift experience, we also offer extras such as nearest the pin and longest drive. Group Tuition can also be arranged along with prize tables and a card marking service. An eye for detail and doing the little things ensures that we maintain our reputation as a one of the areas most popular Society venues.

We pride ourselves on the number of repeat visits we get each year and many groups have now become firm friends with all at the Drift.

Included are examples of just some of our packages starting from £25.50, don't delay, call 01483 284641 or email [sales@driftgolfclub.com](mailto:sales@driftgolfclub.com) and let us help make a good day out into a great day out!
