In addition to our fantastic packages, you can take advantage of our 'Organiser Goes Free' offer, whereby every Captain is **absolutely free** when bringing a group of more than 20 players.

If you haven't played The Drift recently, and would like the chance to experience the course before booking, we would be happy to offer a **complimentary round** for you to see first-hand, the fantastic condition of the course, not to mention our superb hospitality and catering.

We would like to wish you an enjoyable year of Captaincy and very much hope to hear from you.

Yours Faithfully,

Marc Goodwin
