GOLF DAYS

WELCOME TO THE DRIFT GOLF CLUB

Originally part of the Lord Lovelace Estate, The Drift Golf Club nestles at the foot of the North Surrey Hills just a short journey from the center of London. Peace and tranquility are the order of the day at The Drift, and you will often be accompanied on your round by deer, foxes and pheasants.

Created in the mid-70's by Sir Henry Cotton and architect Robert Sandow, the par 73, 18-hole course is 6,408 yards long and makes use of the mature oak woodlands in which it was created. Strategically placed water hazards and bunkers along with tree lined fairways makes accuracy a premium and the course rewarding for all standards of play.

ABOUT US

At the Drift we offer several Society Packages to suit your needs, but we specialise in customising your specific day's activities to meet your individual requirements. We can cater for both small and large groups, and societies can start from as little as 8 people and go up to as many as 120 for large charity or corporate events.

As part of your Drift experience, we also include extras such as Nearest the Pin and Longest Drive. Group Tuition can also be arranged along with prize tables and a scorecard marking service. An eye for detail and doing the little things 'just right' ensures that we maintain our reputation as one of Surrey's most popular Society venues.

We pride ourselves on the number of repeat visits we get each year and many groups have now become firm friends with all at The Drift.

Included are examples of just some of our packages starting from £40p.p., so don't delay, call 01483 284641 or email info@driftgolfclub.com to check availability on your preferred times and dates.

The Drift welcomes groups 7 days a week with weekend play available after 12.00.

We look forward to welcoming you and your guests
