

GOLF DAYS AT THE DRIFT

THE DRIFT
EST. 1975

WELCOME TO THE DRIFT

Originally part of the Lord Lovelace Estate, The Drift nestles at the foot of the North Surrey Hills just a short journey from the centre of London. Peace and tranquility are the order of the day at The Drift, and you will often be accompanied on your round by deer, foxes and pheasants.

2025 saw us celebrate our 50th Anniversary and completion of the re-design of three new holes: the 5th, 6th and our new signature hole the 9th. There is no better time to play the course and sample the exciting improvements. We can cater for both small and large groups, starting from as few as 12 people and up to as many as 120 for large charity or corporate events. Groups are welcomed five days a week.

We pride ourselves on the number of repeat visits we get each year and many groups have now become friends with all at The Drift. We look forward to welcoming you and your guests.

Depending on the size of your group, The Drift may recommend a two-tee start. There are many advantages of this, such as all groups arriving back in the clubhouse at a similar time.

SHOTGUN STARTS

For the larger golf day, a shotgun start can be implemented. This is based on number of players and availability on the tee sheet. There is an additional fee for shotgun starts unless stated otherwise by the management.
